

Want to know how to become a reading
Summer Reading Super Hero?
Below you will find everything you need to know!

Sign up at Books Are GEMS. We will keep track of how many books you read during the summer. When you sign up we will give you a:

Reading Log

This will let you record the titles you have read and tell us a little about the books. Once you finish your books, you can come in to the store and choose more used books--even if it's the same month!! (Parents will need sign off on every book to verify completion.)

Record card

This will help you keep track of the number of books you are reading. Each time you fill up your reading card, bring it in to the store to receive an EXTRA new book! (All cards must be in by Saturday, August 12, 2017)

Start anytime during the summer. The more you read, the more stars you will earn. We will host an end of summer celebration on Saturday, August 19, 2017. Gifts will be awarded to all who participate and special recognition to the top readers!

1st & 2nd grade
30 pages = 1 Star
3rd - 6th grade
100 pages = 1 Star
